Dear Sir/Madam

PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE AND PROPOSED NEW SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE ("PROPOSED SHAREHOLDERS' MANDATE")

1. INTRODUCTION

At our Company's 51st AGM held on 12 June 2020, we have obtained a mandate from our Shareholders to enter into RRPTs with Related Parties which are necessary for its day-to-day operations and are in the ordinary course of business based on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and not to the detriment of minority shareholders ("Existing Mandate"). The Existing Mandate shall lapse at the conclusion of the forthcoming AGM of the Company unless a new mandate for RRPTs is obtained from the Shareholders at the AGM.

On 30 November 2020, our Board announced to Bursa Securities on its intention to seek the Shareholders' approval for a renewal of Shareholders' Mandate for the existing RRPTs and Proposed new Shareholders' Mandate for new RRPTs (hereinafter referred to as "Proposed Shareholders' Mandate").

The purpose of this Circular is to provide you with the relevant information on the Proposed Shareholders' Mandate and to seek your approval on the resolution relating thereof to be tabled at the forthcoming AGM. The Notice of AGM and the Form of Proxy are set out in our Annual Report 2020.

YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS CIRCULAR BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED SHAREHOLDERS' MANDATE TO BE TABLED AT THE 52nd AGM.

2. DETAILS OF THE PROPOSED SHAREHOLDERS' MANDATE

 - (i) the consideration, value of assets, capital outlay or costs of the RRPT is RM1 million or more; or

- (d) in a meeting to obtain the Shareholders' Mandates, the interested Director, interested Major Shareholder or interested person connected with a Director or Major Shareholder; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder; must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must ensure that Persons Connected with him abstain from voting on the resolution approving the transactions; and
- (e) The Company immediately announces to Bursa Securities when the actual value of a RRPT entered into by the Company exceeds the estimated value of the RRPT disclosed in this Circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement.

Where the Company has procured shareholders' mandate pursuant to Paragraph 10.09 of the Listing Requirements, the provisions of Paragraph 10.08 of the Listing Requirements will not apply.

The Proposed Shareholders' Mandate, if approved by the Shareholders at the forthcoming 52nd AGM, will be subjected to annual renewal. Any authority conferred by Shareholders in respect of the Proposed Shareholders' Mandate will take effect from the date of the 52nd AGM and shall continue to be in full force until:

- (a) the conclusion of the next AGM of the Company at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed; or

Whereas, Suez and SKLSB will own 21.1% and 24.5% respectively subsequent to obtaining the shareholders' approval.

2.4 Amount Due and Owing by Related Party

There is no amount due from or owing to Sunsuria Group by the Related Parties which exceeded the credit term given arising from the RRPTs set out in Section 2.3.3 of this Circular.

2.5 Review Procedures for the Recurrent Related Party Transactions

To ensure that such RRPTs are conducted on an arm's length basis and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to Shareholders, the Management will ensure that the transactions with the Related Parties will only be entered into after taking into account the pricing, prevailing market rate, level of business risk, level of service, market forces or other related factors relevant to the transactions.

The Company has established an internal review procedure and has put in place policies and processes for operational controls to ensure that the RRPTs are undertaken on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and not to the detriment of the minority shareholders of the Company and the risk areas are adequately mitigated. Such policies and processes will include *inter-alia* an effective and appropriate organisational structure whereby there will be clear separation of duties and defined authority limits for the Management, title and other records to the assets being safeguarded, timely information system, monthly reports and regular review of these RRPTs by internal audit as well as the Audit Committee.

At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantial similar type of products/services and/or quantities. In the event that quotations or comparative pricing from unrelated third parties cannot be obtained for the proposed transactions, the Audit Committee assisted by the Related Party Transaction Review Working Group will rely on the prevailing market norms and practices taking into account the efficiency, quality and type of support services to be provided to ensure that the RRPTs are not detrimental to the Group.

There are no thresholds for the approval of RRPTs within the limits of the Shareholders' Mandate as all transactions will be reviewed and approved by non-interested Director(s).

Further, where any Director or any Person Connected with him/her has an interest (direct or indirect) in the RRPT, such Director (or his/her alternate, where applicable) shall abstain from voting on the matter. Where any member of the Audit Committee is interested in the RRPTs, that member shall abstain from voting on any matter relating to any decision to be taken by the Audit Committee with respect to the RRPT.

2.6 Statement by the Audit Committee

The Audit Committee has the overall responsibility to periodically review the RRPTs and determining if the procedures for reviewing such RRPTs are appropriate. The Audit Committee also has the authority to delegate this responsibility to the Related Party Transaction Review Working Group and/or such individuals within the Group as it shall deem fit.

The Audit Committee has considered the procedures mentioned in Section 2.5 of Part A of this Circular and is of the view that:

- (a) the RRPTs are made on an arm's length basis and on normal commercial terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of Sunsuria and hence, will not be prejudicial to the Shareholders nor disadvantageous to the Group.
- (b) the Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. The Audit Committee will annually review and ascertain whether the guidelines and procedures established to monitor RRPTs have been complied with.

3. RATIONALE

The RRPTs to be entered into by the Group with respect to the approval for the Proposed Shareholders' Mandate sought are all in the ordinary course of business and reflect the potential long-term commercial relationship between the parties. It is envisaged that in the ordinary course of business of the Group, the RRPTs between the Group and the Related Parties are likely to occur with some degree of frequency and from time to time, and it may be impractical to seek Shareholders' approval on a case-to-case basis before entering into such RRPTs. The RRPTs are undertaken on terms that are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. All the transactions will be conducted on "an arm's length basis".

The Proposed Shareholders' Mandate are intended to facilitate transactions in the ordinary course of business of the Group. The Proposed Shareholders' Mandate would avoid the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when the RRPT occurs or arises. This would substantially reduce administrative time, inconvenience and expenses associated with the convening of such meetings on an ad-hoc basis.

It would also enable the Group to realise business opportunities, as and when they shall become available to the Group, in a more timely and effective manner. The RRPTs to be entered into with the Related Parties represent business decisions which are undertaken for legitimate and bona fide business purposes, after a thorough assessment of the merits of these proposed transactions, pursuant to the review procedures as outlined in Section 2.5 of Part A of this Circular.

PART B

**SHARE BUY-BACK STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF
SHAREHOLDERS' MANDATE FOR AUTHORITY TO THE COMPANY TO PURCHASE UP TO TEN
PERCENT (10%) OF ITS TOTAL ISSUED SHARES**

("THIS STATEMENT")

SUNSURIA BERHAD

Registration No. 196801000641 (8235-K)

Incorporated in Malaysia

SHARE BUY-BACK STATEMENT IN RELATION TO THE PROPOSED RENEWAL OF AUTHORITY

1. INTRODUCTION

At the 51st AGM of Sunsuria held on 12 June 2020, the Shareholders, had inter-alia, given a mandate for Sunsuria to purchase up to ten percent (10%) of the total issued shares of the Company at the time of purchase. The authority obtained by our Board for the purchase of Sunsuria Shares will lapse at the conclusion of the forthcoming 52nd AGM of the Company, unless a renewal of mandate for the share buy-back authority is obtained from the Shareholders at the forthcoming 52nd AGM.

In connection thereto, the Company had on 30 November 2020 announced its intention to seek the Shareholders' approval for the Proposed Renewal of Share Buy-Back Authority at the forthcoming 52nd AGM of the Company.

The purpose of this Statement is to provide you with the details of the Proposed Renewal of Share Buy-Back Authority and to seek your approval for the ordinary resolution pertaining thereto to be tabled at the forthcoming 52nd AGM. The Notice convening the 52nd AGM of Sunsuria and the Form of Proxy are enclosed in the Annual Report 2020 of the Company.

SHAREHOLDERS OF SUNSURIA ARE ADVISED TO READ THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY.

2. PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 Details of the Proposed Renewal of Share Buy-Back Authority

At the 51st Annual General Meeting held on 12 June 2020, our Board obtained Shareholders' authorisation for the Company to purchase up to ten percent (10%) of its prevailing issued shares of the Company. As at LPD, no share was repurchased and held as treasury shares in accordance with Section 127 of the Act.

The details of the issued shares of the Company as at LPD are as follows:

	No. of Sunsuria Shares
Issued shares of the Company	895,917,302
10% of the issued shares	89,591,730
Total number of treasury shares	(0)
Balance for Proposed Share Buy-Back	89,591,730

Our Board proposes to seek approval from the Shareholders for a renewal of authorisation to enable Sunsuria to purchase up to 10% of the total issued shares of the Company quoted on Main Market of Bursa Securities as at the point of purchase.

The Proposed Renewal of Share Buy-Back Authority shall be effective upon the passing of the ordinary resolution at the forthcoming 52nd AGM of Sunsuria and shall continue to remain in force until:

- (i) the conclusion of the next AGM of the Company, at which time the authority will lapse, unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
 - (ii) the expiration of the period within which the next AGM after that date is required by law to be held; or
 - (iii) revoked or varied by an ordinary resolution passed by the Shareholders in general meeting,
- whichever occurs first.

3. RATIONALE

The Proposed Renewal of Share Buy-Back Authority, if implemented, may provide the following potential benefits to the Company and its Shareholders:

- (a) the Company is able to reduce any unwarranted volatility of its Sunsuria Shares and assist in stabilising the supply, demand and price of its Sunsuria Shares in the open market, thereby supporting the fundamental value of its Sunsuria Shares.
- (b) the Proposed Share Buy-Back is expected to enhance the value for Shareholders from the resultant reduction in the number of Shares in the open market. Assuming all things being equal, the EPS of the Group may be enhanced as the consolidated earnings would be divided by a reduced number of Shares. This is expected to have a positive impact on the market price of Sunsuria Shares which will benefit the Shareholders.
- (c) the Purchased Shares can also be retained as Treasury Shares and resold on Bursa Securities at a higher price. The distribution of Treasury Shares as share dividends (if any) will also reward the Shareholders as it would increase the number of Shares held which can subsequently be resold in the open market. Alternatively, the Treasury Shares can be transferred for purposes of or under the employees' share scheme of the Company or such other purposes as allowed under the Act.

4. TREATMENT OF PURCHASED SHARES

Pursuant to Paragraph 12.17 of the Listing Requirements, the Company may only purchase its own shares at a price which is not more than 15% above the weighted average market price of the shares for the past 5 market days immediately preceding the date of purchase.

In accordance to Section 127 of the Act, the Purchased Shares may be dealt, by the Board, in the following manner:

- (a) to cancel the Shares so purchased; or
- (b) to retain the Shares so purchased as Treasury Shares; or
- (c) to retain part of the Shares so purchased as Treasury Shares and cancel the remainder; or

If such Purchased Shares are held as treasury shares, the Board may:

- (a) distribute the Treasury Shares as share dividends to Shareholders; or
- (b) resell the Treasury Shares or any of the said shares in accordance with the Listing Requirements; or
- (c) transfer the Treasury Shares or any of the said shares as purchase consideration; or
- (d) transfer the Treasury Shares or any of the said shares for the purposes of or under an employee's share scheme or such other purpose as allowed under the Act; or
- (e) cancel the Treasury Shares or any of the said shares; or
- (f) sell, transfer or otherwise use the shares for such other purposes as the Minister may by order prescribe.

Appropriate announcement(s) and notice(s) will be made to Bursa Securities and the relevant authorities in respect of the Board's decision on the treatment of the Purchased Shares in compliance with the Listing Requirements and the Act. The Board may decide to cancel the Purchased Shares if the cancellation of the said shares is expected to enhance the EPS of the Group and thereby in the long term, have a positive impact on the market price of the Shares. If the Board decides to retain the Purchased Shares as Treasury Shares, it may distribute the Treasury Shares as share dividends to the Shareholders and/or resell the Purchased Shares in accordance with the Listing Requirements and utilise the proceeds for any feasible investment opportunity arising in future as working capital.

While the Purchased Shares are held as Treasury Shares, the rights attached to them as to voting, dividends and participation in other distributions and otherwise are suspended, and the Treasury Shares shall not be taken into account in calculating the number or percentage of Shares or a class of shares in the Company for any purpose including substantial and major shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on resolution at a meeting of the Shareholders.

5. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

The potential advantages of the Proposed Share Buy-Back to the Company and its Shareholders are as follows:

- (a) It allows the Company to utilise its surplus financial resources to purchase the Sunsuria Shares to enhance the value of shareholders' investments in the Company if there are no immediate use of the financial resources;
- (b) To stabilise the supply and demand of Sunsuria Shares traded on the stock market of Bursa Securities and mitigate the volatility of Sunsuria Share prices. The stability of Sunsuria Share prices is important to maintain investors' confidence to facilitate future fund-raising exercises of the Company via the equity market;
- (c) The provide opportunities for the Company to increase its financial resources if the Purchased Shares which are retained as treasury shares are resold at prices higher than the purchase prices; and
- (d) In the event the Treasury Shares are distributed as share dividends by the Company, it will serve to reward the Shareholders of the Company.
- (e) The Treasury Shares may also be utilised as purchase consideration by the Company in corporate transactions thereby reducing the financial outflow and/or preserve the working capital of the Company.

The potential disadvantages of the Proposed Share Buy-Back to the Company and its Shareholders are as follows:

- (a) The purchase of Sunsuria Shares pursuant to the Proposed Share Buy-Back will reduce the financial resources available to the Group and may result in the Group forgoing better investment opportunities that may emerged in the future; and
- (b) It may reduce the amount of financial resources available for the repayment of the Group's borrowings, for working capital or for distribution in the form of dividends to the Shareholders of the Company. However, the working capital of Sunsuria Group may recover and increase upon the reselling of the Purchased Shares as treasury shares.

Nevertheless, the Proposed Share Buy-Back is not expected to have any potential material disadvantages to the Company and its Shareholders, as any share buy-back will be undertaken only after in-depth consideration of the financial resources of Sunsuria and the resultant impact on its Shareholders. Our Board, in exercising any decision in implementing the Proposed Share Buy-Back will be mindful of the interests of the Company and its Shareholders.

6. FUNDING

The maximum amount of funds to be allocated for the Proposed Share Buy-Back shall not exceed the retained profits of the Company at the time of purchase(s). Based on the latest audited financial statements and/or management accounts of the Company (where applicable) available. As at 30 September 2020, the retained profit of the Company was RM112.717 million.

The Proposed Share Buy-Back will be funded through internally generated funds and/or bank borrowings or a combination of both. The actual amount of borrowings will depend on the financial resources available at the time of purchase(s). The actual number of Sunsuria Shares to be purchased will depend on, amongst others, the prevailing market conditions, and sentiments of the stock market as well as the retained profits and the financial resources available to the Group at the time of the purchase(s).

In the event that the Company intends to purchase its own shares using bank borrowings, the Board shall ensure that the Company shall have sufficient funds to repay the bank borrowings and interest expense and that the repayment would have no material effect on the cash flow of the Company. In addition, the Board will ensure that the Company satisfy the solvency test as stated in the Section 112(2) of the Act before execution of the Proposed Share Buy-Back.

7. FINANCIAL EFFECTS TO THE PROPOSED SHARE BUY-BACK

The effects of the Proposed Share Buy-Back on the share capital, earnings, NA, working capital, dividend and shareholdings of the Directors and Substantial Shareholders of the Company are set out below:

7.1 Share Capital

The effect of the Proposed Share Buy-Back on the total number of issued shares of the Company will depend on whether the Purchased Shares are cancelled or retained as treasury shares.

Based on the total number of issued shares of the Company as at LPD and assuming that the maximum number of Sunsuria Shares (of up to ten percent (10%) of the total number of issued shares) authorised under the Proposed Share Buy-Back are purchased and cancelled, it will result in the total number of issued shares of the Company being reduced as follows:

	<u>Number of Sunsuria Shares</u>
Existing total number of issued shares as at LPD	895,917,302
Assuming all the Purchased Shares pursuant to the Proposed Renewal of Share Buy-Back Authority are cancelled	(89,591,730)
Resultant total number of issued shares	<u><u>806,325,572</u></u>

However, the Proposed Share Buy-Back will not have any effect on the total number of issued shares of Sunsuria if all of the Purchased Shares are to be retained as treasury shares.

The rights attached to them as to voting, dividends and participation in other distribution and otherwise are suspended. While these Sunsuria Shares remain as treasury shares, the said treasury shares shall not be taken into account in calculating the number or percentage of Sunsuria Shares or of a class of shares in the Company for any purpose including substantial shareholdings, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

7.2 Earnings

The effect of the Proposed Share Buy-Back on the earnings of the Group will depend on the number of Sunsuria Shares purchased, the actual purchase price of Sunsuria Shares and the effective funding cost to finance the purchases or loss in the interest income of the Group. Where the Shares so purchased are to be cancelled, the EPS of the Group will generally, all else being equal, increase as a result of the reduction in the issued shares of the Company.

7.3 NA

The Proposed Share Buy-Back, if carried out, may increase or decrease the NA per Share depending on the purchase price(s) of the Shares to be purchased. The NA per Share will increase if the purchase price is less than the audited NA per Share but will decrease if the purchase price exceeds the audited NA per Share at the time the Shares are purchased.

For the Shares so purchased and kept as treasury shares, upon resale, the NA per Share will increase if the gain of the Shares resold has been realised. However, the quantum of the increase in NA per Share will depend on the selling prices of the treasury shares and the number of Treasury Shares resold.

7.4 Working Capital

The Proposed Share Buy-Back, as and when implemented, will reduce the working capital and cashflow of Sunsuria Group. The quantum of which will depend on, amongst others, the number of Purchased Shares, purchase price(s) and any associated cost incurred in making the purchase. However, if the treasury shares are subsequently resold on Bursa Securities, the working capital of the Group will increase.

7.5 Dividends

The Proposed Share Buy-Back is not expected to have any impact on the dividend payment as our Board will take into consideration of the Company's profit, cash flow and the capital commitments before proposing any dividend payment. However, our Board will have the option of distributing the treasury shares as share dividends to the Shareholders of Sunsuria.

7.6 Gearing

The Proposed Share Buy-Back is not expected to have any effect on the gearing of Sunsuria Group.

8. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

Based on the Registers of Directors' Shareholdings and Substantial Shareholders as at LPD and assuming that the Proposed Share Buy-Back is implemented up to the maximum of 10% of the total number of issued shares and that the Purchased Shares are from the Shareholders other than the Directors and Substantial Shareholders of Sunsuria, its effects on the shareholdings of the Directors and Substantial Shareholders of Sunsuria are illustrated as follows:

10. PUBLIC SHAREHOLDINGS SPREAD

The Board is mindful of the compliance with public shareholding spread as required by the Listing Requirements and will take into consideration the requirement when making any purchase of Sunsuria Shares pursuant to the Proposed Share Buy-Back.

As at LPD, the public shareholding spread of the Company was 25.02%. The public shareholding spread after the Proposed Share Buy-Back is expected to be reduced to 16.69% assuming that the Proposed Share Buy-Back is implemented in full.

The Company will ensure that it will not purchase its own Shares if that purchase will result in the Company's public shareholding spread falling below the minimum threshold of 25% of its total number of issued Shares (excluding treasury shares).

11. APPROVAL REQUIRED

The Proposed Share Buy-Back is subject to the approval being obtained from the shareholders of Sunsuria at the forthcoming 52nd AGM of Sunsuria.

12. PURCHASE, RESALE AND/OR CANCELLATION OF TREASURY SHARES

The Company has not purchased, resold and/or cancel any treasury shares during the financial year ended 30 September 2020.

13. IMPLICATION OF THE CODE

As it is not intended for the Proposed Share Buy-Back to trigger the obligation to undertake a mandatory general offer under the Code for any of its substantial shareholders and/or parties acting in concert with them, our Board will ensure that such number of Shares are purchased, retained as treasury shares, cancelled or distributed such that the Code will not be triggered.

Nonetheless, if the obligation to undertake a mandatory general offer under the Code is expected to be triggered, the substantial shareholders and their respective parties acting in concert will apply for an exemption from the SC.

14. DIRECTORS' STATEMENT AND RECOMMENDATION

The Directors, having considered the Proposed Renewal of Share Buy-Back Authority, are of the opinion that the Proposed Renewal of Share Buy-Back Authority is in the best interest of the Company and its shareholders. Accordingly, the Directors recommend that you vote in favour of the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back Authority to be tabled at the forthcoming 52nd AGM of the Company.

15. FURTHER INFORMATION

Shareholders are advised to refer to Appendix II of this Statement for further information.

Yours faithfully
for and on behalf of the Board of Directors
